

## Examination Data 2011-2012

Examination results at Brymore have continued to rise and key performance measures are shown below. Most schools use two sources of data which allows comparisons with other schools. These are:

RAISE online data : Used by Ofsted. It principally looks at value added measures to compare progress, taking into account the starting points of students, prior attainment (Key Stage 2 results) and other factors such as Special Educational Needs, gender, free school meals entitlement etc.

Fischer Family Trust (FFT) data: This also takes into account prior attainment and sets targets at an individual student and school level according to challenge. At Brymore we use the highest level of challenge when setting targets, so that boys will need to match the top 25% of students nationally in order to reach the target set. Schools are then measured by comparing how many students meet the targets set.

Both sets of data allow schools to compare themselves at a national level and use percentile ranks where a percentile rank of 1 places the school in the top 1% of schools nationally, and a percentile rank of 99 places the school in the top 99% of schools nationally (i.e. the bottom 1%). The lower the number the better.

Measure	2010	2011	2012	Notes
<b>5A*-C</b>	55%	65%	86%	<b>31% rise</b> in 3 years
Percentile rank (Progress)	91	39	3	Bottom 9% to <b>top 3% nationally</b> in 3 years
<b>5A*-C including English and maths</b>	33%	25%	27%	Ability of intake dropped, relative performance compared to other schools risen
Percentile rank (Progress)	86	74	33	Now <b>top third</b> of schools nationally
<b>Capped point score (Best 8 GCSE's)</b>	299	308.2	320.6	<b>Rising</b> for past three years
Percentile rank (Progress)	39	11	2	Now <b>top 2% of schools nationally</b>
<b>English expected progress (school)</b>	64%	67%	70%	<b>Rising results</b> despite national figure falling/highest ever
English expected progress (national average)	72%	74%	67%	Drop due to government policy change
<b>Maths expected progress (school)</b>	65%	30%	66%	<b>Huge rise</b> from last year/highest ever
Maths expected progress (national average)	65%	66%	68%	National figure rising
<b>English Baccalaureate</b>	0	0	0	Brymore does not offer a modern foreign language and therefore results are 0%
