The school is distinguished by its inclusive approach, which ensures that no pupil is left behind. There is a caring and supportive ethos. The combination of a traditional academic curriculum, coupled with a very successful practical and vocational programme, is highly effective. (Ofsted 2018)

- An ethos that places improving the life chances of the boys at the very centre of your work. (Ofsted 2018)
- *Staff have developed strong relationships with the boarders which are built on trust, honesty and respect. Boarders said they really like the staff who care for them and confirmed that there are a large number of staff members who they could talk to about any worries or concerns. (Ofsted 2019)*
- Boys behave well and are respectful of others. (Ofsted 2019)
- *There is a strong culture of safety which permeates every aspect of school life. (Ofsted 2018)*

Welcome to Brymore

I am delighted that you have chosen to look through this literature and see if we can offer your son an experience to last a lifetime.

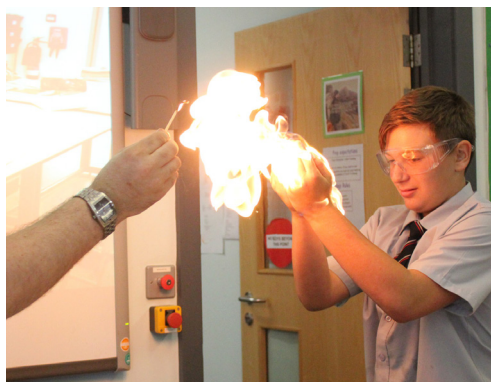

Brymore offers a unique blend of traditional values, where moral courage, self-reliance and polite manners are fostered, coupled with outstanding teaching, which brings out the best in every boy. Our results prove that we are able to stretch the most academic, whilst supporting boys of all abilities, through small class sizes, high levels of in class support and above all, dedicated and motivated staff. Whatever you expect of your son or he expects of himself, you will be amazed at how his confidence will grow, in line with his achievements. See for yourself - our boys are our greatest asset.

At Brymore, the secret to building confidence is to provide limitless opportunities for success, through a holistic approach to education which blends the highest academic expectations with unrivalled opportunities to engage in 'hands on' learning. The combination is truly inspirational. We offer many of the benefits that you would find in the independent sector, yet our education is free to all, because we believe that every child has the right to an outstanding education and the brightest future.

Please come along with your son to one of our Open Mornings where you will be able to discover for yourself why our boys experience so much more.

Mr Mark Thomas
Headteacher

- Pupils' attitudes to learning are good. Classrooms are well ordered and pupils are keen to take part in activities (Ofsted 2018)

- *Pupils enjoy their lessons, particularly in practical subjects, and take part with enthusiasm. They are proud of their school. (Ofsted 2018)*

- The combination of a traditional academic curriculum, coupled with a very successful practical and vocational programme, is highly effective. In addition, the small size of the school and the boarding facility on-site give the school a unique flavour (Ofsted 2018)

Visiting Brymore on one of our Open Mornings will give you the best insight into what we do. You will have a chance to see lessons in action, as the school will be running normally and our staff will be happy to answer any questions you may have.

**Boarders
say they love
boarding.
(Ofsted 2019)**

You will be welcomed by the Headteacher, Mark Thomas, who will introduce you to Brymore and you will be offered a tour by the boys themselves. You will find them confident, articulate, open and friendly but above all - deeply proud of their school.

We will provide you with refreshments after your tour and for this reason along with track and trace due to the pandemic we ask that you call or email our school office, to advise them that you are coming.

Should you be unable to attend one of our Open Mornings but still wish to see the school, you can arrange a tour at a convenient time for you, by speaking to our office staff.
