Mark Thomas Headteacher

24th January 2022

Dear Parent/Guardian

On Friday 18th February 2022 we will be hosting a Raising Achievement morning for Year 11 parents in the hall at Brymore. This is to enable families to support boys to prepare for their March mock exams. It will start at 10.00 am and finish at 12.30 pm. Refreshments will be available and there will be a short break in between sessions. You and your son can leave after the session.

If you want to help your son to achieve his best in English and maths this event is crucial. Mrs Taylor-Lane, Mrs Davis, Mr Ashton and Mrs Truman will take you through what is on the English paper and the maths paper, so that you know exactly what your son needs to revise and how to help him over the half-term break.

Parents who have attended this in the past have found it invaluable. Normally we host this in March but following your requests on parents' evening we are now doing this earlier.

Please come and support your son in his GCSEs. It is a chance to pick up a revision pack and talk to English and maths staff.

I enclose the Year 11 countdown calendar which tells you what exams your son has and when, what support is available, including breakfast revision sessions, subject focus days and the dates of the mock exams in March. We want to provide boys with every possible advantage, both at home and in school.

We look forward to seeing you on 18th February 2022.

Please reply by Thursday 10th February giving numbers attending and any specific dietary or access requirements you may have. Replies can be sent via the app or by emailing: office@brymoreacademy.co.uk with the subject head **Raising Achievement 18th February 2022**. If you could also let us know if you cannot attend that would much appreciated.

Yours sincerely

VICTORIA DAVIS
Deputy Headteacher
