Dear Parent/ Guardian

Our annual Careers information Event (Goals and Opportunities) will be held on Wednesday 4th March from 4.30pm - 7.30pm, where students will have the chance to meet with post 16 education and training providers, Higher Education institutions, and a range of businesses and employers

This is a fantastic opportunity to have face to face interactions with professionals and experts who can impart information and share aspirational career stories. These encounters with employers and training providers are key to helping young people make informed and confident choices about their future.

Whilst this is an event is primarily for students, we welcome parents/Guardians along too to speak first hand to the exhibitors and be part of the conversations about future pathways choices.

Parents of students in Years 9, 10 & 11 are encouraged to attend but to avoid congestion the schedule for the evening will be:

Out-boarders and their parents/guardians from 4.30pm - 5.15pm

Year 9 boarders and their parents/guardians attend from 5.30pm - 6.00pm

Year 10 boarders and their parents/guardians attend from 6.15pm - 6.45pm

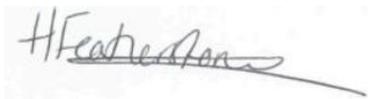

Year 11 boarders and their parents/guardians attend from 7.00pm - 7.30pm

This event falls during National Careers Week. As part of this nation-wide focus on careers, we would like to signpost you to some useful links and supportive information:
